From,

F. E. C. Carr Esqr.,

Inspector General of Police in Mysore.

To,

B.K. Venkatavardaiengar Esqr.,

Secretary to the Government of His Highness the Maharaja of Mysore in the General and Revenue Departments.

Sir,

(1) Regarding the proposed transfer of the Police Station at Domasandra (Mulbagal Taluk, Kolar District) to Taylur a village in the same Taluk.

(2) Mr. Thomas, District Superintendent of Police, Kolar Gold Fields, in the enclosed Memorandum gives detailed reasons for the transfer. His predecessor Mr. Mainwaring also advocated the removal of the Station to Taylur, and during my Jamabandi tour in the Mulbagal Taluk, as Deputy Commissioner of Kolar District in March 1904 I went very carefully into the pros and cons of the proposal. The conclusion I have come to is that from every point of view Taylur is the most suitable location for the Police Station in this part of the Mulbagal Taluk, both from the importance of the village as a trading centre, and from its more convenient situation with regard to the various roads and beat circles. Not excluding Mulbagal Town itself, Taylur is the most prosperous and thriving trade centre in the Taluk. A large proportion of the population (nearly 2000) is composed of Mahomedan and Lubbay traders, who carry on extensive operations in sugar and rice with the North Arcot District and Madras. The village is 3 miles from the Mulbagal-Bethmangalam road, and about the same distance from the Bowringpet-Venkata-

-girikota road

road. The village is of growing importance and population not like Mulbagal Town which is gradually decreasing year by year. Domasandra is on the other hand a wretched little fever stricken collection of hovels, in a most inaccessible place, far removed from the high roads and with a diminishing population of two to three hundred souls.

(3) What considerations could have led to the location of a Police Station at Domasandra I cannot imagine - at any rate those considerations no longer exist.

(4) The present Police Station at Domasandra is a small mantap-styled building which could be sold by auction or turned into the village Chowadi. At Taylur there is a convenient buildi available as a Station which is now used as a small charitable chatram and is in the centre of the village. This building I myself selected when I inspected the village in March last. The constables can for the present at least find temporary accommodation in the village which is a large one.

(5) For the above reasons I would request Government to kindly accord their sanction to the removal of the Police Station from Domasandra to Taylur.

I have the honor to be,

Sir,

Your most obedient servant,

For Inspector General of Police.
